SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits the reference listed on the enclosed Form PTO-1449, a copy of which is enclosed. An English translation of a communication from a corresponding foreign application is provided and also listed on the enclosed Form PTO-1449.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

Each item of information contained in this statement was first cited in a communication from a foreign patent office in a counterpart application, and this communication was not received by any individual designated in 37 C.F.R. § 1.56(c) more than thirty days prior to the filing of this statement.

This statement is being filed after the mailing of a first Office action on the merits, but before the mailing of a final Office action or a Notice of Allowance. I, the undersigned, hereby certify that each item of information contained in this statement was first cited in a communication from a foreign patent office in a counterpart foreign application, dated May 24, 2010, which is not more than three months prior to the filing of this statement.

Applicant notes that an Information Disclosure Statement and a Form PTO-1449 were filed in this case on March 24, 2010, and that they have not yet received an initialed copy of the Form PTO-1449. Applicant thus requests an initialed copy of the Form PTO-1449.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 22 June 2010
